

WOMEN'S  
BEAN PROJECT®

# Brainstorming Rules

**One person agrees to document the session and share with the team.**

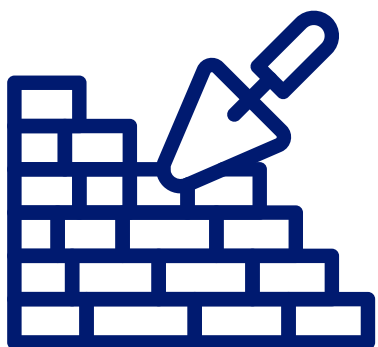

**Abundance mentality. We all have something to contribute. There are no bad ideas!**

**Share the floor. Everyone has a voice and no one dominates.**

**Ideas only. No problem solving in the moment**

**Yes, and...**

**a.k.a. build on ideas instead of shutting them down**
