What is Northstar?

An internet based platform, created by the non-profit Literacy Minnesota, that assesses and teaches foundational to mid-level digital skills

Features

Assessments

Instructor led Curricula

Self paced online learning

Learner Management System

Reports

Northstar Standards

Standards link assessments, instructor-led curricula, and practice lessons

Typical Northstar Flow

- Assess
- Review Results
- Educate
 - Instructor-led classes
 - One-on-one tutor or digital navigator
 - Self-guided online lessons
- Assess
 - Proctor and provide certificate

Administrative Features

- Each site has 2-3 Administrators
 - Add and delete staff/volunteers in Admin Portal
 - Set organization wide parameters for Northstar
- Staff, Proctors, and Learners
- Can be integrated into Canvas, Blackboard, and other platforms using LTI 1.3
- Single Sign On available

Access to the Admin Portal

- Administrator adds staff to Admin Portal under “Location Information”
 - Choose staff or Proctor
- Northstar sends invited staff an email inviting them to Admin Portal
- Recipient then creates a password and is given access
- Bookmark your Admin Portal page
- You can also login at the Northstar Homepage www.digitalliteracyassessment.org

Benefits of adding Learners to LMS

NORTHSTAR

- This is the **ONLY** way Learners can access the Northstar Online Learning Practice lessons
- Ensures accurate reporting of assessment progress
- Enable you to create sub-reports using tags
- What can Learners do if they are not added to the LMS:
 - Take assessments – risk of inaccurate reporting
 - Take a class

Creating a Learner Account

- Invite Learner – enter name and email and applicable tags
- The system will send an email invitation to the new learner

Invite New Learner
